Children in North San Mateo County are risking their lives, California Highway Patrol says, by running across the busy 280 Freeway. A section in Daly City near Serramonte Shopping Center is one of the locations.

'Deadly' Game on Crowded Freeways

By FRANK LAPIERRE

Kids today are playing a deadly new "game" on freeways in San Mateo County.

California Highway Patrol officers are calling it "dodge 'em," for lack of a better name.

Here's how it's played: Youngsters wait on the side of a freeway for a break in traffic — traffic that is moving at upwards of 55 miles an hour — and then start running directly across the road-way.

The more lanes that have to be crossed, the more fun, some children picked up by the CHP confess.

A popular spot for this "sport," which is giving stout-hearted officers and motorists heart failure, is between the Serra Shopping Center in Colma and the Serramonte Shopping Center in Daly City.

Interstate 280 slices through the center of these two shopping complexes.

At this location there are eight fast-moving lanes of traffic with a steel divider separating the north-south lanes.

Youths that choose this

spot to cut across the freeway are "either too lazy to walk up to one of the two underpasses to go from one shopping area to another, or just plain stupid," CHP officer W. A. "Bill" Russell told The Post.

CHP officer Tim Donnelly predicted that "more people will be killed" on one of the two freeways that cut through Daly City "unless this nonsense stops right away."

There have already been three deaths in the Junipero Serra-Cabrillo Freeway area in recent months.

Last fall, three small girls decided to cut across the Freeway near the School Street overcrossing in Daly City. It was shortly before 10 p.m.

"Why they didn't walk across the School Street overpass, less than a block away, is anybody's guess," an officer on the scene commented.

Two girls ran across the freeway without mishap.

The third was struck by an estimated 16 cars and mangled.

A motorist stopped his car on June 12, 1975 near the intersection of Cabrillo and Junipero Serra freeways.

He stepped out — into the path of an oncoming car, was struck and fatally injured.

Still another person decided to cut across state Route 1 in Pacifica on the night of April 15, 1975.

He didn't make it. A car hit and killed him almost immediately, the CHP said.

In 1974, there were 21 pedestrians killed and 303 injured on San Mateo County roadways.

Each year this figure seems to increase, Russell said.

There have been 20 young children — boys and girls — picked up trying to "beat the odds" on Interstate 280 and Bayshore Freeway in the past three months, Russell explained.

"When I say the odds are against the kids, I mean it."

"If a car and pedestrian collide, the pedestrian will be the loser," Russell said.

'Grisly' Slaying on Coast

By FRANK LAPIERRE

The decapitation slaying of a 53-year-old father in a quiet residential neighborhood of Pacifica is being called the grisliest crime ever to hit this seaside city.

Michael Phillip Castro, 27, is accused of cutting off his father's head following a heated argument, walking out to the road carrying the head by the hair, and tossing it into the gutter as several stunned children stood nearby.

The torso of Felix Phillip Castro was found on the bedroom floor inside the home at 1283 Hermosa Drive

in the city's Linda Mar section, police said.

Neighbors told The Post they heard shouts coming from the single-story home about 7 a.m. Monday.

"About 7:30 (a.m.) the shouting and screaming stopped," one woman neighbor, who asked not to be identified, said.

It was several minutes later that Michael was reported by police to have walked out the front door of his home carrying the bloody head, and to have thrown the head into the street.

He then re-entered the house and called police, homicide inspector Rich Hillman said.

A woman neighbor also called police after seeing the head in the gutter in front of the Castro home.

Hillman said the younger Castro offered no resistance when confronted by police inside the home where he lived with both parents.

The mother, Mary Castro, has been in St. Mary's Hospital in San Francisco for the past several days.

She is confined to a wheelchair and visits the hospital

periodically for treatment, according to police.

There are two other Castro children — Angie, 23, and Pete, 25.

Neither live in Pacifica, it was learned.

Neighbors said shouting matches between the father and son had been going on for several years and often lasted long into the night.

There did not appear to be any wounds on the body to indicate that the father tried to defend himself, Hillman said.

It was the third homicide in Pacifica this year.

Infant Body Found

The county coroner's office today is investigating the identity of an infant body found Friday morning in Colma.

At 10:50 a.m., ground-keepers at Holy Cross Cemetery were moving a cement trash receptacle when the wrapped body of the infant was found beneath the base.

The coroner's office said the infant had been buried approximately six months and apparently was a few weeks old at the time of burial.

A hospital identification bracelet indicated the baby was born at Kaiser Hospital although the name of the child was not readable, the coroner's office said.

The white, female baby was 16 inches in length and had black hair.

There have been no recent reports of missing infants, a coroner's office spokesman said.

Lt. Dennis Garton of Colma Police also said no reports of missing infants are known by the police department.

A coroner's spokesman said that office will be in contact with Kaiser in an attempt to identify the baby.

One Defendant Takes Stand at Dolwig Trial

David Kaplan, reputedly the head of an off-shore financial lending organization known as "Eurovest" took the stand in his own defense Monday at the fraud trial of former state senator Richard Dolwig and six others.

Kaplan, while expressing his expertise on financial

matters involving millions of dollars at home and abroad, appeared reluctant to discuss Eurovest's organizational makeup under cross examination by special U.S. Prosecutor Robert Breakstone.

Atty. Paul Mostman questioned his client from a chair, instead of standing at the podium as is the custom.

U.S. District Judge Samuel Conti allowed Mostman to remain seated during the questioning because the Sherman Oaks attorney reportedly injured his back in a fall at the Federal Building cafeteria last Friday.

Mostman is reportedly taking pain pills for the injury and is strapped into a back brace.

Kaplan told the court M. Paul Heck, an Oakland

developer who allegedly is a victim of a scheme to pay cash advances to obtain letters of credit for large sums of money, "didn't want his (\$32,400) back," he wanted letters of credit.

On several occasions, Heck became violent in his demands and even threatened Kaplan's life, Kaplan testified.

The reason Heck did not get the \$2.5 million letter of credit he sought from Eurovest was because he had failed to tell the company about his "financial troubles," Kaplan said.

The "financial troubles" Kaplan referred to dealt with Heck's filing for reorganization of his East Bay company under bankruptcy laws, it was brought out in earlier testimony.

At one point in his dealings

with Heck, Kaplan said he so fear for his life he made arrangements with Mrs. Beth Dolwig to pick him up from a Beverly Hills hotel he was staying at, under the close scrutiny of Heck, and help him flee to Miami.

"I urged Judge (Hugh F.) DuVal to refund (Heck's) money," Kaplan said. "I just wanted out."

DuVal is allegedly the president of Eurovest, having reportedly acquired the Grand Cayman Island based company in February 1973, shortly before Kaplan underwent open heart surgery in Miami.

DuVal denied he is the kingpin of Eurovest and said Kaplan and another defendant, David Gorwitz, are the "real" heads of the company.

A total of some \$250,000 was taken as cash advances in a series of deals between Eurovest and various developers seeking letters of credit, the government has charged.

Sen. Dolwig, who acted as escrow agent for Eurovest in late 1974, received \$3,000 on the Heck transaction, Kaplan said.

The money was paid by Kaplan using his own funds, he said.

"I felt it was a moral obligation (to pay Dolwig), not a legal one," Kaplan told the court under cross examination.

"The same moral obligation I felt with (Paul) Heck," Kaplan began to testify when he was interrupted by Breakstone.

"I don't need your lectures Mr. Kaplan," Breakstone responded.

The case was expected to go to the jury by Thursday, Mostman predicted.

Dolwig Juror Ousted

A woman juror in the federal fraud trial of former state Sen. Richard Dolwig and six others was summarily dismissed Thursday after she reportedly was seen talking to Dolwig's wife in a hallway.

U.S. Judge Samuel Conti excused alternate juror Mrs. Lily Wood of San Francisco and warned her he would hold her in contempt of court if she discussed the case with anyone.

Judge Conti obviously was angered by the incident.

Special assistant federal prosecutor Edmund Lyons informed Judge Conti he had seen Mrs. Woods talking to Mrs. Elizabeth Dolwig twice.

Mrs. Dolwig said Mrs. Wood merely had inquired as to her health on the occasions Lyons had seen them together.

And Mrs. Wood had approached Mrs. Dolwig in the corridor, not the other way around, Godfrey Isaacs, Dolwig's defense attorney emphasized.

Mrs. Dolwig recently

Gunman Hits Store

A gunman escaped with an undisclosed amount of cash and a wallet after robbing the Brentwood liquor store at 215 Kentwood Drive, South San Francisco, Saturday night.

The man walked into the store at about 11 p.m. and demanded from the owner, John Tanti, 38, the contents of the store's cash register.

County Mayors Favor Bonds To Purchase Bruno Mountain

The San Mateo County Council of Mayors Friday night endorsed a state assembly bill that will allocate \$4 million in state recreational bond funds for the purchase of additional land on San Bruno Mountain.

The vote was not quite unanimous, however, with representatives of San Mateo, Pacifica and San Carlos abstaining on the grounds they had received no direction from their city councils.

The issue was brought up by councilwoman Anja K. Miller of Brisbane, who cited the need for urgency as the bill will come before the Assembly Ways and Means Committee in Sacramento Wednesday. She pointed out that both the boards of supervisors in San Mateo and San Francisco counties and the North County Council of Cities of San Mateo County have already favored the action.

Endorsement of the project will come before San Mateo County supervisors officially Tuesday, and north county Assemblyman Louis J. Papan has promised support for whatever action they take.

"Now we have this money available to our county," Mrs. Miller said.

Mayor Nat Landes of Woodside pointed out that several years ago San Mateo County voters approved a 10-cent tax for park acquisition and development, and "one of the places necessary in the long pull was San Bruno Mountain. This helps further our own plans."

Mrs. Miller said the state has agreed that San Bruno qualifies as a state park.

The \$4 million would come from \$8,040,000 delegated but eliminated for acquisition of Rancho Guejito park in San Diego County and Point Dume State Beach, for which \$1,320,000 was appropriated but later eliminated.

The mayors, despite the request of Art Silver, administrative assistant for Papan, endorsed a bill which would change property assessment practices throughout the state.

Silver asked that the bill be put over until the mayors' meeting next month to allow time for additional amendments, but the mayors agreed by a 13 to 4 vote that endorsement should be made now to show the public that local officials are doing all possible to come up with major tax reforms.

Councilwoman Grace McCarthy of Pacifica, a representative from the county on the California League of Cities declared, "In the meantime an assurance to the taxpayer won't hurt any."

Councilman John Murray of San Mateo said that Papan's bill is only a "band aid," and City Manager James Fales of Redwood City said the League is studying a major tax overall program which needs more study.

Visher Resigns

Dr. John S. Visher, program chief for the Mental Health Service Division of the San Mateo County Department of Health and Welfare for nearly three years, has announced he is resigning the post as of Sept. 1.

However, Dr. Visher plans to remain in the Mental Health Service Division to concentrate on coordinating effective programs for long-term mental patients who have been in state hospitals and have been returned to the community.

"After the year like we've gone through with budget

cuts and trimming back the programs, I felt the need of something that uses more of my professional training and expertise," Dr. Visher said. He predicted that the fiscal situation next year is going to be as bad or worse, with Gov. Edmund Brown Jr. talking of further budget cuts.

Dr. Visher said he expects to find his new job "challenging and interesting."

In private psychiatric practice in Berkeley for 15 years, Dr. Visher joined the county Mental Health Service Division as deputy program chief in July, 1969.

Private Investigator Accused of Soliciting

A 41-year-old employee of a San Francisco investigating firm has been accused by the San Mateo district attorney's office of illegally soliciting business for an attorney.

According to Deputy Dist. Atty. Douglas J. Gray, a complaint has been filed against Joseph A. Mazon, 41, of San Rafael, an employee of Mazon Investigations of San Francisco, a firm owned by his wife, a licensed private investigator.

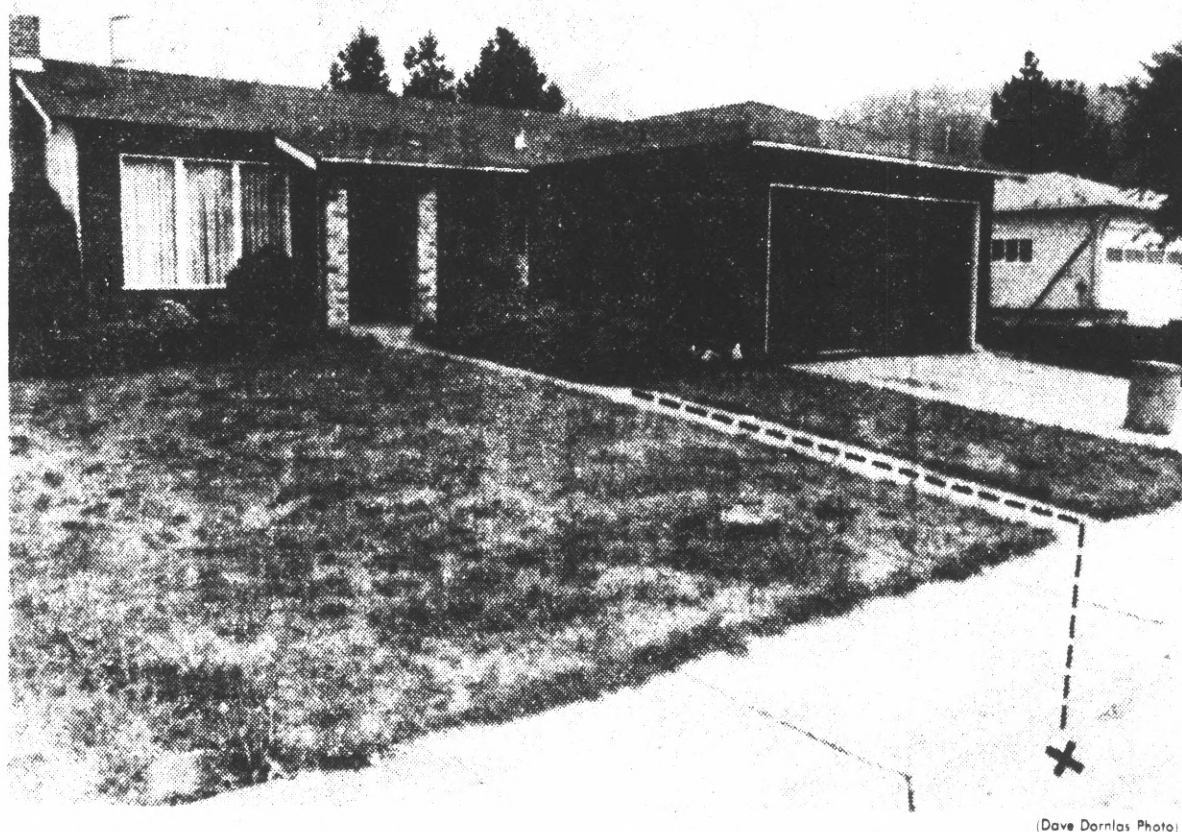

Gray said Mazon has been accused of violating the State Business and Professions Code.

Gray said Mazon is charged with soliciting business for the San Francisco legal firm of Norman Plummer, William Greenspan and James Lee. He reported Mazon visited Richard Post, 28, charged with the kidnapping and murder of Ruth Wihlmsen, 21, who was seized from the Serramonte Shopping Center on June 29. Her body was later found off Skyline Boulevard south of Black Mountain Road west of Hillsborough.

According to Gray, Mazon visited Post at the county jail in Redwood City on July 9 and 10. Post is now represented by Greenspan.

The charge calls for a \$500 fine, a six-month term in the county jail or both.

Dist. Atty. Keith C. Sorenson said this morning that Greenspan is subject to disciplinary action by the State Bar of California.

State Park Plan For Bruno Peak

By VERN KROGH and
DUANE SANDUL

A state assemblyman has proposed the purchase of a part of San Bruno Mountain for a state park. The Post learned.

The move, as proposed in Assembly Bill 2329, came as a total surprise to local officials, County Manager M.D. Tarshes said this morning.

Tarshes said county officials have not had time to say what they feel about the proposed \$4 million purchase, but the topic will be discussed at Tuesday's Board of Supervisors meeting in Redwood City.

The proposal was added to the bill by its author, Edwin L. Z'berg, D-Sacramento, apparently at the request of Herbert Rhodes, formerly of East Palo Alto, state Parks and Recreation director, and Claire Dedrick, secretary of the state Resources Agency.

The proposal concerning San Bruno Mountain was loosely worded. It was

pointed out, so that local officials can provide specifics as to what part or parts of the mountain should be sought.

Tarshes said Z'berg called him Thursday, after the proposed state acquisition had been added to the bill.

The bill, Tarshes said he was told, lists 16 projects for the state to launch with the \$90 million approved in the 1974 State Park Bond Act.

The county manager said he was told 15 of the projects were in the program before San Bruno Mountain was added.

The state proposal comes at a time when the county planning commission is conducting hearings on a development plan for San Bruno Mountain.

Assemblyman Louis J. Papan said today he spoke to Z'berg only Thursday and found him very cooperative toward including the \$4 million for the purchase of San Bruno Mountain.

According to Papan, San Bruno Mountain is among the top three projects that will be included in a list of statewide proposals that will be presented to the Assembly Ways and Means Committee next Tuesday under Z'berg's bill.

Papan said that he purposely made the language of the inclusion such that a more definite proposal can be prepared by the Board of Supervisors on the impact of the \$4 million added to \$3 million already appropriated by the county for acquisition of a portion of the mountain to enhance its park and recreation elements.

Papan said he has already talked with Rhodes, who promised his cooperation in getting the money.

Papan also reported he wrote to James V. Fitzgerald, chairman of the Board of Supervisors, only Thursday for a response on the local level to include in the bill plans which will eventually be presented to the entire legislature. The legislature must approve park priorities at the beginning of each year, according to the north county assemblyman.

A greater, long-range plan, Papan said, is to connect the San Bruno Mountain Park to Candlestick Park and then extend Bay front recreational facilities south all the way to San Carlos.

The \$4 million comes from the Rancho Guelito park in San Diego County, which is part of an original Spanish land grant, but was dropped because of difficulties in obtaining it. The \$8 million originally allocated for the Southern California historical facility will be equally divided, with \$4 million going to San Bruno Mountain and \$4 million going to the Santa

Monica Mountain Park in Los Angeles County, according to Papan.

Papan emphasized that local officials must come up with concrete language for the park before the Z'berg's bill goes before the committee Tuesday.

John T. Brook Jr., county director of parks and recreation, was reported in conference this morning with Tarshes.

"There is pressure on this in the form of time," Papan said. "We must know what is being proposed. We cannot delay it."

"We've had no communication with the state," Tarshes said. "I don't know what they're doing. I don't believe that \$4 million (for purchase of the mountain) is enough, anyway. We need to get more specific information. The area that the state proposes to acquire has not been defined."

Tarshes noted that the state in the past has rejected suggestions San Bruno Mountain be made a state park.

Pageant Planned

A dance pageant, depicting 200 years of American folk dancing, will be presented at Serramonte Shopping Center Sept. 6.

Two shows, one at noon and one at 2 p.m. will trace the history of the square dance from colonial days through the covered wagon and pioneer era to the present day contemporary square dance.

North Peninsula clubs participating will be the Forty-Niners and Whirl-A-Ways of South San Francisco, Western Twirlers of Daly City, Pairs and Spares of San Bruno and the Pacifica Squares of Pacifica.

Serramonte Center is located at Serramonte Boulevard on Highway 280 in Daly City.

underwent abdominal surgery and the strain of the trial — now in its third week — has begun to wear her out, she told The Post.

Her discomfort was so great one day last week that she failed to return to the courtroom following noon recess.

Throughout the trial, Mrs. Dolwig has been at her husband's side, sitting in the front row of wooden benches on the left side of the courtroom, near the jury.

On the opposite side of the room, also alone, sits Mrs. David Kaplan, wife of another defendant.

Kaplan is the reputed head of a Grand Cayman Island-based money lending organization known as "Eurovest."

The company stands accused of bilking American developers of some \$250,000.

Mrs. Dolwig and her husband on several occasions have been seen turning away from other defendants in the

case in an apparent effort to avoid conversation with them.

On weekends, the former senator, who suffered a stroke only last year, returns with his wife to his Sacramento home to rest.

But the trial also is beginning to tell on him. He told The Post Wednesday he was "tired, very tired."

And Mrs. Dolwig said she worries that her husband's health may fail completely if the trial stretches, or if he is kept on the witness stand too long.

Attorney Isaacs has kept his client away from the other defendants.

Astrology to Puppetry

An all day "Astrology Workshop" will kick-off Skyline College's Fall semester Community Services offerings for September.

The workshop, under the direction of counselling astrologer Maris Fletcher Rudd, begins at 10 a.m. Sept. 6.

A free lecture and slide presentation on "How to Buy Antique Furniture" conducted by furniture expert Martin Watten, will be held the evening of Sept. 10. Watten also will repeat his Saturday morning "Furniture Refinishing" course beginning Sept. 20.

"The ability to stay afloat for ten minutes" is a prerequisite for Bob Peterson and Howard Sundberg's sailing class. The course will introduce the basic principles and techniques of sail boating in the San Francisco Bay. Because of limited space only eight people will be enrolled during each of the two sections. The first series of four-hour classes will begin Sept. 13, the second series Oct. 25.

Larry Green's "Learning to Cast a Fly," designed for both the novice and advanced fly caster, starts Sept. 10. Green, West Coast Field Editor for Field and Stream magazine, has been an avid master of the fly rod for 25 of his 38 years.

You can learn how to become a director, stage manager, producer, and entertainer in "Creative Puppetry for Adults."

All aspects of puppetry from making puppet and puppet theaters to constructing stages and scenes will be discussed. First class begins Sept. 13.

Plant hangers, sandals, belts, and purses are just a few of the items you will be taught to make in the "Leathercraft Workshop," starting Sept. 10 at the San Bruno Recreation Center.

For \$8 members of the community will be welcome to use SC's physical education facilities for two and a half hours each Monday evening throughout the fall semester. P.E. instructor Norm Friedeberg will be there to advise and direct participants in volleyball, badminton, basketball, and fitness activities. It begins Sept. 15.

Among the Community Services courses to be repeated during the fall are "Basic Dog Obedience," "Dealing with Divorce," and "Children's Literature Workshop."

Because it was sold out last time, Jean Barish's course on "Introduction to Parapsychology," which deals with E.S.P., healing and altered states of consciousness is being repeated by popular demand. This four-part series begins Oct. 4.

Albert Wilson, noted plant expert and author of "How Does Your Garden Grow," will present his "Dig It With Albert" series Sept. 18 at the campus.

If you would like to get more out of life, the Bay Area offers a wide variety of exciting ways ranging from ancient and mystical to mind expanding and futuristic. The "Life Enrichment Survey" will let you meet representatives from eastern, motivational, mystical, psychic, and spiritual organizations without your having

to spend a lot of time, money, and effort. First session is Sept. 24.

Beginning Sept. 25, Skyline photography instructor Ed DeMartini will cover the basics of making films in his "Film Production" course. DeMartini is a prize-winning filmmaker who has traveled and filmed throughout Europe and the U.S.

Mexico is the theme for Sept. 30. In a free lecture at 11 a.m. in the college's main theater, art instructor Richard Warren will describe the painting, pottery, sculpture and architecture of pre-Columbian Mexico in the offering "The

Art of Ancient Mexico." That evening, Warren will introduce "Walls of Fire," a film documentary on three of the most dynamic Mexican muralists — Siqueiros, Rivera and Orozco.

Some of the offerings for October include courses on tap dancing, backpacking, fishing and history.

Noted Washington Post syndicated columnist Nicholas Von Hoffman and KCBS weatherman Harry Geise will make an appearance on the campus.

"We have a varied and exciting program coming up this semester," Community Services Coordinator Tom Fraley said, noting that free brochures are available at all north county libraries and at the college.

For further information on programs, call 355-700, Ext. 231.

Lightning Kills Hiker

A South San Francisco man, Lawrence Brady, 31, was struck by lightning and killed Wednesday in Sequoia National Park.

Tulare County Coroner Gene Parker said Brady, his wife Carole, his two children Paul 8 and Kyle, 6 and his mother Mary were hiking in the Morro Rock area at 4 p.m. when it started to hail.

The Brady family and several other hikers reportedly huddled together, Parker said, when the lightning struck. Brady's mother collapsed in shock and was carried out.

Parker said the lightning death is believed to be the first in that area.

Parker said two other unidentified persons were injured by the lightning. One

remains in critical condition in Keweenaw Delta Hospital.

One of Brady's children was examined after his shoe

was split from the impact of the lightning.

Narcotics Arrest

Two juveniles and a San Francisco man were arrested on narcotics charges Friday night in Daly City.

At 7 p.m., police officers raided a house at 245 E. Market St.

Arrested on possession of heroin for sale was Kim Balestrieri, an 18-year-old San Francisco man, police said.

His bail has been set at \$50,000.

Also arrested were a 17-year-old man from Daly City and a 15-year-old youth from San Francisco.

Both juveniles were taken to Hillcrest Juvenile Authority.

Little Chance of Off-Street Parking

It may be financially impossible now or in the future for the City of Pacifica to provide any kind of off-street parking in the Sharp Park area.

The City Council isn't sure if that's correct, but plans to find out by Sept. 8.

The Sharp Park area is the site of a fishing pier and beach property used by San Mateo County residents.

Presently, fishermen and visitors park in dirt along the beachfront.

No city lots are provided for the district's commercial sector.

Finance, however, held up discussion Wednesday of the parking proposal at a joint study session of the City Council, Traffic and Safety Commission and Sharp Park Improvement Council.

Councilman Aubrey Lumley was first to point out that unless the money is there, any discussion of parking is a waste of time. He said all six alternate plans prepared by staff could very well be useless.

"If we sit here and come up with the most expensive proposal, we're wasting everybody's time," Lumley said. "If the money is not there now, it's not going to be there later."

He cited the precedent of the City of Carmel, in which only on-street motor-controlled parking is provided and tourists are handed leaflets explaining the lack of public lots.

"I think it's the stand we ought to take now," Lumley said.

Mayor Stan Farber added that even the least expensive parking plan, at about \$295,000 still is impossible.

"If we plan something today for five years from now, it will be no good," Farber said. He suggested the staff make a specific study of parking problems caused in the Sharp Park area by beach and pier traffic.

He said the city could make it's present temporary plan permanent. The only costs would be to paint a few parking stripes and supply a few logs to keep motorists from driving onto the beach.

The six alternate parking plans the council and traffic and safety commission have been reviewing since March range in cost from about \$200,000 to \$459,000.

The Pacifica City Council in recent years jockeyed

capital improvement money to provide for the corporation yard and other top-priority projects.

Originally, \$100,000 was allocated from revenue-sharing and capital improvement monies for Sharp Park off-street parking. Only \$25,000 of that money remains in the account.

Farber said the \$25,000 is not enough to buy one small lot, considering policing and maintenance costs.

Farber also asked why the staff did not further study the possible purchase of the so-called Nickola property on the west side of Beach Boulevard, near the pier. He said the council was offered the property and had talked earlier this year about providing a pay parking lot with an attendant at that site.

What happened to all that discussion? Farber asked. "It never got past the City Council."

Sharp Park Improvement Council members, all local residents, asked the city to provide several small lots along Palmetto, a main thoroughfare which cuts through the Sharp Park area a block from the beach and pier.

"We in Sharp Park know that we pay a price for living near the Ocean — a price in upkeep and traffic, litter, and abuse from visitors far in excess above an average neighborhood," said John Curtis in a statement prepared by the improvement council.

"Regardless of how sensitive the design and maintenance of a parking lot, there are attendant problems of noise, glare, air pollution and litter. Property values of adjoining residences will suffer."

"We are determined that parking lots must not be interspersed with residences along the side streets and along Beach Boulevard," he said.

The ideal solution, Curtis said, would be to provide visitors with shuttle bus transportation from remote parking areas.

The council voted to discuss on Sept 8 four options — purchase of the Nickola property, the six alternative plans, a trial run of one small lot, or shelving the project entirely.

Staff also will present a report on specific parking problems caused by park and pier traffic.

High Holiday Services

Congregation Beth Israel-Judea, located on Brotherhood Way in San Francisco, will begin its High Holiday season with a Service of Forgiveness (Selichot) Saturday evening.

The Sisterhood of the congregation will host a social hour beginning at 10 p.m. and the service will follow.

The following day a special Service of Remem-

brance will be held at Salem Memorial Park Garden Court in Colma at 1:30 p.m.

Rosh Hashanah (Jewish New Year) Services will commence Friday evening, Sept. 5 at 8 p.m. and will continue on Saturday and Sunday mornings at 9:30 a.m.

On Sept. 6 a special youth service will be held at 2 p.m. This service will be pre-

sented by the young people of the congregation for both youngsters and their families.

Rabbi Herbert Morris and Cantor Henry Greenberg will officiate at all services.

Individuals who are interested in any of the above services may call the temple office at 586-8833 for further information.

Temple Plans Services

Observance of the Selichot Services at Congregation B'nai Israel, 1575 Annie Street, Daly City, is set for Saturday.

The service will begin 11 p.m. and will be conducted by Rabbi Ira Book, assisted by Cantor Jacob Graudenz.

Selichot ushers in the High Holy Days Season and begins the penitential period that culminates on Yom Kippur.

Rabbi Ira Book announces the following Schedule of Services for the High Holy Days:

Selichos, August 30, 11 p.m.; annual memorial service, Aug. 31, 11 a.m.; Erev Rosh Hashanah, Sept. 5, 8 p.m.; Rosh Hashanah, Sept. 6; Erev Rosh Hashanah, 2nd day, Sept. 6, 8:00 p.m.; Rosh Hashanah, 2nd day, Sept. 7.

The High Holy Days for the Jewish New Year 5736 will conclude with the Yom Kippur Services.

The Kol Nidre Services will be conducted Sept. 14, commencing at 7:30 p.m. Rabbi Book and Cantor Graudenz will officiate.

Cantor Graudenz will chant the "Kol Nidre," a haunting, plaintive melody at least 650 years old in its present form that represents an absolution for any broken vows between Man and God. Those that occur between man and man are not forgiven by the recitation of the Kol Nidre Prayer but by direct resolution between the parties involved.

A Young People's Service will be held 10:30 a.m. at 590 Washington St. on each of the High Holidays.

Temple Marks Holy Days

Sabbath services will be held in the sanctuary of Congregation B'nai Israel, 1575 Annie St., Daly City, Friday, commencing at 8:30 p.m.

Reading from the words of Elie Wiesel is the sermon topic selected by Rabbi Ira Book. Assisting Rabbi Book will be Cantor Jacob Graudenz who will chant the liturgy.

Highlight of the evening will be the observance of Birthday Sabbath. The children of congregational members whose birthdays occur during the month of August will be called to the pulpit for a blessing presented with a token gift. An

Oneg Shabbat (Social Hour) will follow the Shabbat Service.

The Shabbat morning service will be observed Saturday with services commencing at 10 o'clock.

Rabbi Ira Book, assisted by Cantor Jacob Graudenz chanting the liturgy, will lead Shabbat morning services.

To be read will be the Biblical Chapters (Parsha) "Nizavim-Vayeilech" ("Standing" here and "Moses went")

A Kiddush will follow the morning Sabbath services. Selichot (Prayers of Pardon)

will take place Saturday at 11 p.m. at the synagogue.

These prayers are said in preparation for the High Holidays.

High Holiday seating is available through the synagogue office by phoning from 10 a.m.-2 p.m., 756-5430. The annual memorial service of the congregation will be held 11 a.m. Sunday at Eternal Home Cemetery.

Enrollments for the Sunday and Hebrew School are now being accepted according to George Bilick, president of the Congregation B'nai Israel.

Scouts Name Chairman

George M. Swain, 1708 Sweetwood Drive, Colma, has been named chairman of the San-Mateo County Council's northern district, according to council president Arthur H. Bredenbeck.

Swain succeeds Alvin L. Schwarzbach of Daly City, who accepted an appointment to the council's executive board.

As district chairman, Swain becomes the top volunteer Scouter in northern Daly City, San Bruno and South San Francisco geography, which currently totals 22 Cub Scouting packs and 22 Scouting troops with a youth membership of more than 1,000.

In his capacity as district chairman, Swain will give leadership to a program of

council, district and top unit leadership and their chartered partners, Bredenbeck said.

Ryan Co-Sponsors Bill To Stop Lies to Public

Congressman Leo J. Ryan, D-San Mateo, today announced his co-sponsorship of legislation being introduced by Congressman Donald M. Fraser, D-Minn., making it a criminal offense for government officials to lie to the public.

"Unnecessary as such legislation might seem," said Ryan, "honesty has become a one-way street. Under current law, it is a crime for a private citizen to lie to a government official, but not

for a government official to lie to the people."

The House members' "Truth in Government Act" would clarify the prohibition against lying and hold "any person, including any officer or employee of the federal government or any elected official," legally accountable for making false statements.

Violation of the statute is punishable by a fine of not more than \$10,000 or five years imprisonment, or both.

According to Ryan, "The American public's credibility in government has reached an all-time low."

"Deliberate lying by government officials during Watergate, the CIA investigation, the Cambodian bombing, the Pueblo incident and the Gulf of Tonkin affair are just some of the instances contributing to this regrettable state of affairs."

In almost all cases involving the criminal code provision, the courts have construed it as applying to private citizens who lie to the government, but not to government officials who lie to the people.

"It's up to the Congress to even the odds between the people and the government," Ryan said.

Cantor Named For Temple

Martin A. Segol, president of Congregation Beth Israel-Judea, announced that Henry Greenberg will serve as the Cantor of Congregation Beth Israel-Judea for the ensuing year.

Greenberg, a native San Franciscan, studied with the late Rabbi David Stolper, the late Cantor Joseph R. Cysner and with Cantor Josef R. Cycowski, formerly of Congregation Beth Israel-Judea.

Now, a Patient Advocate

In order to alleviate certain problems a patient may encounter during a hospital stay, Mary's Help Hospital has created the position of Patient Advocate.

Sister William Eileen, R.N., former emergency department supervisor, will be responsible for helping to find solutions to problems patients and their visitors might have.

According to Rex G. Chase, administrator, "The position of patient advocate will emphasize the hospital's concern and responsiveness to the needs of patients, families and visitors. Through this position, the hospital provides a channel to assist patients with non-medical problems, as well as to explain hospital philosophy, policy and procedures."

As patient advocate, Sister William Eileen makes daily rounds on nursing units to assist patients and answer any questions they may have about hospital services.

"I hope to assure that each patient's rights are upheld and met in a manner compatible with the philosophy of the hospital," she said.

"One of my primary goals," Sister William Eileen continued, "is to respond to individual patient's requests, giving them the

special attention they merit and processing them as quickly as possible through the appropriate hospital departments."

A graduate of the Mary's

Sister William Eileen, R.N., Mary's Help Hospital's patient advocate (right) lends a helping

hand to a patient while Volunteer Myrtle Peck looks on.

Help Hospital School of Nursing, Sister William Eileen has been a staff member since 1968.

She received her B.S. degree in nursing from Marillac College, St. Louis, Mo., and spent the three years prior to coming to Mary's Help as Obstetrics supervisor and Emergency Room supervisor at Hotel Dieu Hospital in El Paso, Tex. "By acting as a 'trouble-shooter' for patient problems," said Sister William Eileen, "and by keeping staff and patients informed of all developments, the patient advocate will be able to bring about a more expeditious processing of patient complaints."

GIRL SCOUTING

John Budlong, associate of Reel Grobman and Associates, has been named SCOUT AMERICA '76 physical arrangements coordinator by general chairman Alvin L. Schwarzbach.

Reel Grobman and Associates with offices in Burlingame and Los Angeles is a management consultant firm specializing in space planning and industrial design.

The firm has also previously donated their expertise to Scouting.

SCOUT AMERICA '76 is the bicentennial celebration of Girl Scouting planned for April 3 and 4, 1976 on the Serramonte Shopping Center's enclosed mall. The event is recognized by the San Mateo County American Revolution Bicentennial Committee, is a segment of the bicentennial efforts of the San Francisco Bay Girl Scout Council and is listed on the national ARBA calendar.

Troops representing all the Girl Scout associations of northern San Mateo County and the San Francisco area are expected to attend. Budlong will be in charge of booth design and setup.

Other event coordinators working with Association Bicentennial Liaisons, include Jackie Plichek for photography, Roz Morino for public relations and Joan Stewart for opening ceremonies.

BREUNER'S auditorium community room was the setting of the most recent SCOUT AMERICA '76 planning committee meeting. The six-piece display developed for the annual San Francisco Bay Girl Scout Council delegates meeting, is available for association use.

Each Association Bicentennial Liaison is asked to personally acknowledge

receipt of the troop application received with a follow-up delivery of the troop booth kit scheduled for early 1976.

Troop applications will be available at each association's fall kick-off meeting from the ABLiaison. Announcements have been distributed to area Scoutlook editors for their September issues.

A patch design contest, troop booth and participation schedules and recruitment will be on the agenda of the planning committee's next meeting scheduled Oct. 17 from noon-2 p.m. at Breuner's Community Room in Daly City.

SCOUTS from Daly City's Troop 369 returned recently from a two-week stay at Camp Royaneh near Cazadero.

Participating in the adv-

ancement program and outdoor activities were Dave Bevilacqua, Chas. Boswell, Mike Franzola, Dave Richwood, Trippy Sliter and Brian Watson of the Viking Patrol; Phil Bouchard, Bill Guzman, Tim Leavitt, Steve Putman, Jim Schumacher and Rafael Zelaya of the Cobra Patrol; and Doug Dovichi, Chris Kanelopoulos and Mike Kanelopoulos of the Liberty Patrol, along with Asst. Scoutmasters Rich Bagnall, Bill Leavitt, Craig Markinson and Scoutmaster Fred Pratt.

More than 51 merit badges were earned by the Scouts as F. J. Pratt qualified for his Bronze Eagle Palm.

Tony Fretty attained Life Scout rank.

Selected as candidates for membership in the Order of the Arrow were Scouts Bill Guzman, Brian Watson and Chris Kanelopoulos.

DC Knights Name 'Man of Year'

Publicity director Tom Curr reports that Rich Rusting, past grand knight, was presented with a plaque by Joe Capurro honoring him as the "Man of the Year" for Marian Council 3773, Knights of Columbus, at the recently held fireworks dinner at Nick's Restaurant, Pacifica.

During the presentation of the award, Rusting was praised for his contribution of time and effort to council sponsored activities, which resulted in Marian Council being selected as the top council in their division at the state convention, and for his dedication to the principles of the order.

In addition, Rusting was presented with a plaque for "outstanding achievement in recruitment" by Tom Curr, membership director.

Special guests for the evening were Fathers Keane and Gluscek of Good Shepherd Church; Leo Crawford, president of Red Devil Fireworks, and Chap Reese, district deputy.

Nell Norton

Good morning, good cooks.

If any of you have been up Russian River way recently, you know that the apple season is in full swing. The trees are laden with juicy apples. And since the produce counters in our markets are reacting to this bounty with lower prices, now is obviously the time to use apples in our baking and cooking.

APPLE AND PEACH PIE

- 6 to 7 large tart apples
- 1/2 cup sugar
- 2 teaspoons lemon juice
- Grated rind of one lemon
- 6 Tablespoons peach jam or peach preserves
- 1/2 teaspoon cinnamon

Cream
Skin, core and slice the seven apples thinly. Put in a saucepan with the one-half cup sugar, two teaspoons lemon juice and grated lemon rind. Half-cook the apples. Stir in the one-half teaspoon cinnamon. Cool.

Line 9-inch pie pan with pastry, extending 1 1/2 inches all around the pan.

Brush the bottom of the pastry-lined pie shell with three tablespoons peach jam. Cover with the half-cooked apples. Spread the remaining three tablespoons of jam over the top of the apples.

Cover with a top crust, trim it to extend 1/2 inch over the rim. To seal, moisten the bottom edge and press top and bottom together. Then fold the edge of the top crust under the bottom crust and press together firmly. Flute edge. Cut gashes in the top to allow the steam to escape. Brush the top with cream and sprinkle lightly with sugar.

Place pie in 425-degree oven on the lower shelf for 10 to 15 minutes. Reduce heat to 350 degrees and continue baking for 30 to 35 minutes longer.

Remove from oven and cool. Serve warm or cold.

PASTRY

- 2 cups sifted all-purpose flour
- 1/4 teaspoon salt
- 1/4 pound margarine (1 stick) cold
- 3 Tablespoons vegetable shortening (cold)
- 5 to 6 Tablespoons ice water (approximately)

Place the two cups flour, fourth teaspoon salt, fourth pound margarine (cut in small pieces), and three tablespoons shortening in a large mixing bowl.

Cut margarine and shortening into the flour with a pastry blender or two knives until it resembles coarse meal.

Add 5 or 6 tablespoons ice water and blend quickly with your hand. Enough water must be added to make a soft dough that is easy to roll.

Form dough into ball and roll out on a floured pastry cloth or wrap in foil and refrigerate until ready to use.

Note: If dough is refrigerated for several hours or overnight, it should be brought to room temperature before rolling out.

Fifty-Plus Members Picnic

Today's big picnic in Junipero Serra Park will be the last get together of the Pacific Fifty-Plus Club that all the members will be able to attend for several weeks!

Startling news? No, no one has been put on waivers or suspended and club meetings will continue to be held on the second and fourth Tuesdays of each month. The reason many familiar faces will be absent from meetings following the picnic is that the long awaited day of departure for the bus tour of the United States will dawn on Sept. 10!

A good deal of the chit-chat around the picnic tables today will concern the 40-day junket to sites of importance during the bi-centennial celebration. Mrs. Edna Laurel Calhan, the tour chairman, has been working for months readying the itinerary, so members will enjoy the "refresher course" in American history and observe the natural beauties of our nation during the autumn.

While the travelers are traveling about, the homebodies will be working on

Louanne Heath

plans for the annual Halloween party and an interesting trek to Death Valley and Las Vegas a little later in the fall.

A delightful young lady from Israel has been the guest of Mr. and Mrs. Al Schwarzbach.

Alona Lifshitz, 17, of Haifa, is visiting the Bay Area as a participant in Girl Scout's Wider Opportunity program, and during her stay in Daly City she has been staying with the Schwarzbachs and learning about Scouting in America from the Schwarzbachs' two daughters, who are both first class scouts.

IF YOU HAVEN'T bought a ticket to the Queen Isabella III Ball or cast a vote for one of the lovely young contestants for the title of Queen of the Ball don't waste any time for the big event is coming up on Sept. 6.

The gala, sponsored annually by the Holy Angel's Latin Club, is the outstanding occasion on the club's social calendar and each year the contest, the food and the ball become more elaborate and exciting, according to Mrs. Nemer Gonzalez, whose husband is the chairman of the committee presenting the ball.

For information about tickets contact Gonzalez at 992-3591.

YOU'VE HEARD about not feeling the chill in the air because, according to the song, "I've Got My Love to Keep Me Warm." Or, maybe you've heard of people being oblivious to their surroundings, because they are "all wrapped up in their work."

Well, she isn't saying much but one Daly City woman one recent morning dashed homeward, down the hill from her volunteer duties at Mary's Help Hospital, to discover that she was wearing only an apron over her underthings.

Surprise and consternation!!!

MRS. VIRGINIA Przybrowski, another of the guild's most faithful workers, is home from the Hawaiian Islands with renewed energy and enthusiasm, ready to help with the final stages of work on the Holiday Boutique.

Virginia and her husband, Henry, enjoyed two weeks in the sunny islands savoring a relaxing vacation and the company of their grandson, Jeffrey Smith.

Two 'Wild Shootout' Victims Recovering

Two men injured in what police described as a "wild shootout" last Monday evening in San Bruno remain in satisfactory condition in San Francisco hospitals.

Charles Grier, 42, of Lafayette, is being treated at French Hospital for three gunshot wounds, one in the hand and one in each shoulder.

Stephen Fakoury, 24, of 69 Montrose Ave., Daly City, is at St. Luke's Hospital and is being treated for gunshot wounds to his right side and face.

Scouts Launch Fall Program

500 Cub Scouts and Scouts will launch their fall membership program with a "Showcase of Scouting" in the main fountain area at Serramonte Shopping Center, Sept. 20 and 21, according to Chairman George R. Swain.

Cubs and Scouts from portions of Colma, Daly City, San Bruno and South San Francisco will devote the weekend to acquainting the center's customers with how to join and where to join, while demonstrating some of the exciting activities boys will experience when they join, Swain said.

Jerry Simotas, 2760 Tipperary, South San Francisco, is general chairman of the event. He is assisted by Jack Hayhurst, Tom Johnson and Don Zyski of the district's Scouting volunteer staff.

Although details surrounding the shooting were sketchy Tuesday morning, police described the incident Thursday, after interviewing victims and witnesses.

According to Lt. James Rego, Fakoury called Deens Allenstein at 3671 Ysabel Drive about a debt Allenstein allegedly owed Fakoury. Grier was at the Ysabel Drive house, took the phone from Allenstein and "exchanged words" with Fakoury.

Lt. Rego said Fakoury told Grier "he was coming over."

Fakoury appeared at the house, Lt. Rego said, and brandished a weapon. Grier

also had a weapon, Lt. Rego continued, and when Fakoury entered the house he pointed it at him.

At that point, Lt. Rego said, Fakoury shot Grier in the shoulder. Both men then took cover, according to the report, Grier behind a wall and Fakoury behind a box of stereo albums.

More shots were exchanged, Lt. Rego said, and Grier was hit in the hand and shoulder, while Fakoury was shot in the side. Fakoury then threw his gun on the floor and told Grier he was coming out. When Fakoury appeared from behind the box of albums, Lt. Rego said, Grier shot him in the face.

Grier then walked to Fakoury, Lt. Rego said, and they both talked for a while. It was decided that they both should seek medical care.

Meanwhile, San Bruno Police received a call from an unidentified neighbor, who reported hearing gunshots coming from the Ysabel Drive residence.

As Allenstein, Grier and Fakoury walked from the house to a car, Lt. Rego said Grier fell to the ground.

Approaching police cars frightened Fakoury, according to the report, and he fled in his car.

Grier was taken to Kaiser Hospital in South San Francisco and later transferred to French Hospital.

Police said they discovered that Fakoury had sought medical treatment at St. Luke's Hospital.

IT'S YOUR MONEY

Q. My sister, who has 4 children, has very little income. Her 10 year old son is mentally retarded. Can she get a monthly supplemental income for her son?

A. It depends on how severe the child's condition is and what the family's income and resources are. Your sister should contact any social security office to get complete details.

Free Meal Plan Told

The Jefferson Union High School District has announced a free meal and free milk policy for children unable to pay the full price of meals and milk served in schools under the National School Lunch and Special Milk Programs.

Officials have adopted family size-income criteria for use in determining eligibility.

Children from families with a monthly gross income from all sources at or below the following levels shall be eligible for free meals and free milk.

Family Size	Monthly Gross Income
1	\$0 to \$269
2	0 to 353
3	0 to 438
4	0 to 522
5	0 to 599
6	0 to 676
7	0 to 746

Family size of one means a pupil who is his sole support. A foster child may be considered a family of one.

Children from families whose income is at or below those shown are eligible for milk and meals free.

In addition, families not meeting this criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 per cent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

They may do so by filling in the application forms sent home to parents. Additional copies are available at the principal's office in each school. The information provided on the application

will be confidential and will be used only for the purpose of determining eligibility.

Applications may be submitted any time during the school year.

In certain cases foster children are also eligible for these benefits. If a family has such children living with them and wishes to apply for such meals or milk for them they should contact the school.

In the operation of child feeding programs, no child will be discriminated against because of his race, sex, color or national origin.

Under the provision of the policy the assistant principal-guidance will review applications and determine eligibility.

If a parent is dissatisfied with the ruling of the official he may make a request either orally or in writing to the district superintendent for a hearing to appeal the decision.

Hearing procedures are outlined in the policy.

A complete copy of the policy is on file in each school and in the office of the food service director where it may be reviewed by any interested party.

School Official Wounded

A South San Francisco school official was the victim in an early morning armed robbery today.

David Cricks, 46, assistant superintendent of certificated personnel, was held up by youths at 12:40 a.m. in the Brentwood shopping area.

Cricks told police he was approaching his car when two men in their late teens approached Cricks and demanded his wallet.

One of the men, Cricks said, was armed with a revolver.

When the armed robber's attention was distracted, Cricks told police he attempted to seize the gun.

**Muscular
Dystrophy
Campaign**

Customers throughout
the country will be
greeted at Hickory Farms
of Ohio stores with the
slogan, "Beef Stick and
you... against Muscular
Dystrophy." Aug. 28-30.

The Hickory Farms of
Ohio store at Tanforan
Park—San Bruno will be
taking part in this
national campaign. Beef
Stick summer sausage
will be sold at reduced
prices and for every
pound sold, Hickory
Farms will donate 20
cents to the Jerry Lewis
Labor Day Telethon
Against Muscular Dystro-
phy.

According to store
manager Phillip P. Sulli-
van, "This is an ideal way
for the consumer to save
on the world-famous beef
stick summer sausage
and to contribute to the
fight against muscular
dystrophy at the same
time."

Proceeds from the 20
cents a pound contribu-
tion will be used by the
Muscular Dystrophy
Association (MDA) to
combat the muscular dys-
trophies and related neu-
romuscular diseases.

The Muscular Dystro-
phy Association has over
300 neuromuscular dis-
ease research projects in
laboratories throughout
the U.S. and in 17 foreign
countries. The voluntary
health agency also funds a
network of nine major
university-based research
centers to accelerate its
efforts to find cures or
effective treatments for
these diseases.

MDA also conducts a
comprehensive patient
care and community ser-
vice program which
includes 151 free diagnos-
tic and treatment clinics
throughout the 50 states,
Guam and Puerto Rico.

This is the first year
that Hickory Farms of
Ohio, Inc. and its fran-
chised specialty food
stores are taking part in
the project.

Frank Petrini

Le Pacini

If you want to read about a baseball player — a REAL baseball player — read Maury Allen's "Where Have You Gone Joe Dimaggio?" It's a book we've been meaning to recommend for weeks, now, but something a little more current always seemed to come up. The Allen book, however, is too good to put off writing about any longer.

It's a unique biographical-type book in that Dimaggio, characteristically, gave Allen a short part of an afternoon to interview him. So Allen culled the rest of his information, aside from what he could get from personal knowledge and old newspaper clippings, from people who have known Dimag. from his childhood on up to the present.

It's often a chatty and gossipy book, such as the chapter on Marilyn Monroe, where Allen reveals, for the first time to our knowledge, that Dimaggio and Monroe were making plans for re-marriage even as she OD'd, which leads Allen to the logical conclusion that Marilyn's death was a tragic accident rather than the suicide so many have supposed for so many years. Allen also reveals that theoretical trade of Ted Williams for Joe Dimaggio which was discussed so often during their playing careers was actually almost consummated in 1947.

And then there are the little bits of trivia that so delight intellectual lightweights like your columnist, such as the fact that little brother Dom, when he was an infielder for Galileo, batted ninth in the order. Also that, according to Yankee clubhouse man Pete Sheehy, while Joe D. used to drink 30 half-cups of coffee a day (he never drank a full cup . . . and umpire Art Passarella once told us that Dimag used to have the clubhouse boy bring him his java between innings), he is now strictly a tea drinker. And what must the little old television coffee maker think of that?

BUT THE gossip and the trivia aside, what made the book a fascinating one for this old Joe Dimaggio worshipper, is that it confirmed over and over again many of the things we've only been vaguely "hearing about" for years. For examples: we've heard that Dimaggio was a great base runner who could have set stolen base records had he played for a weak hitting team, and that he was never thrown out on the bases when he decided that he could make it to a certain bag; that he never threw to a wrong base; that he was the greatest late inning hitter who ever lived; about his dignity, his competitiveness, his pride, his leadership, his team play, etc. etc.

Everybody Allen talked to with the exception of Casey Stengel, who was non-committal, said that Dimag was the greatest player they had ever seen. Nobody indeed could remember him ever being thrown out on the base paths. Not one person could ever remember him throwing to a wrong base. Only one man, his old roomie, Lefty Gomez, remembers him ever making a mistake in any category. It was a case, once, of Gomez telling Dimaggio that he was playing a hitter too shallow, Dimaggio waving Gomez off, and then having the next Gomez pitch hit over his head.

Many of you casual fans might be surprised to learn that Dimaggio was a tremendous team leader, because your image of him is of such a quiet man. But that was how he led, by doing, not talking about doing. He played hurt. If he had a good game but the team lost, he would get angry and brood until they won again. He directed the whole outfield, indeed, virtually the entire team, on defense, not by yelling at them or waving his arms to move them around as different batters came to the plate, but merely by positioning himself. The others had such great respect for him, that they would automatically follow his every move.

The other players respected him not only for his physical skills, his competitiveness and his knowledge of the game, but also because he never showedboat, never showed up a teammate. If somebody didn't hustle, they knew he was angry, just by an unobtrusive "look." That's all it would take. The culprit would try never again to risk Joe's quiet unbraiding.

WHAT IMPRESSED us most about Dimaggio, his tremendous physical skills aside, was his concentration on the game. He not only knew where each hitter was likely to hit, he knew where each pitcher was likely to hit certain type pitches, and he knew exactly what his pitcher was throwing on each pitch. He had also studied all of the parks thoroughly, knowing all of their idiosyncrasies, and was able to program all of those factors instantly so that he was almost always in the right place at the right time, which is why Dimaggio probably made fewer "spectacular" plays than any great outfielder who ever lived. One of those interviewed, whose name escapes us at the moment, told Allen that, "Joe never had to dive for a ball in his life." Another one said simply, "Joe's cap never flew off."

Surprisingly, many of those interviewed thought that Dimaggio was a better hitter than Ted Williams. Williams, obviously, had the statistics, but they told Allen that Joe was greater because he was such a great late inning hitter (said one former teammate, "You just knew that if Joe got up in a close game in the last two or three innings that he would win it for you, and he almost always did — he must have hit .800 in the last three innings"), and because he could hit the great pitchers better. For example, Dimaggio used to wear Bob Feller out, and there are those who claim that Dimag was the only man in the game who could really hit Feller's curve ball hard.

That Dimaggio-Williams trade, incidentally, fell through after a night of pondering by Red Sox owner Tom Yawkey, when he told Yankee owner Dan Topping that the Boston crowd would never go for an even-up trade because they thought Williams was a better player. But, Yawkey assured Topping, it was a deal if he would "throw in" that "little left fielder." The little left fielder was rookie Yogi Berra. But for Berra, Williams might have broken Babe Ruth's homerun records, or Dimaggio might have broken them, or they both might have broken them, because each would have been hitting in parks more advantageous to their hitting styles.

One final point to the skeptics about Dimaggio. Many say that players of Dimaggio's era and before hardly ever had to hit under the lights. But we might remind them that when Dimaggio hit in 60 consecutive games as a teenager with the Seals in the PCL, they were playing many, many games not only under lights, but under bad lights.

Miscellany — How would you like to be a Houston fan? Even at the height of their loss string, Detroit had a much better record than the Astros . . . If you don't think playing for a team in the headlines helps, check the relief records of Charley Williams and Rollie Fingers. Williams' is at least as good, in some ways better, but Fingers is continually called, "the greatest."

Only Cincy (the best in baseball), Philly and Chicago have scored more NL runs than the Giants, and, at that, the Giants are very close to the Cubs for third place, and ahead of the reputed scoring machine, Pittsburgh. But don't be too self-satisfied. Houston, even though they're eighth in the NL in hitting and virtually dead last in homers, is fifth in the league in scoring. You figure out what's wrong with the Astros. They don't even have the worst pitching in the league.

Local Notes: Bob McClure, the Pacifica kid who was KC's top minor league pitching prospect last year, and then broke his leg just before spring training opened, has been recalled from the minors by the Royals . . . Keith Rowen, former Stanford guard, has been released by the Eagles.

Skylions Sponsor Soccer

The SkyLions of Daly City - Colma are sponsoring a Soccer League to enter the American Youth Soccer Organization in the Daly City Area.

The Lions Club and the AYSO is a non-profit, non-taxable, non-stock corporation. Their motto is "Everyone Plays."

The objectives are to teach, promote and develop youth soccer in the United States and to develop American youngsters in body and character and to foster soccer competition for such youths.

Youngsters are not registered on their merits as soccer players, but rather on their interest and enthusiasm.

The League will start in September and end around March 1976.

The competition is divided into age divisions of: 7-8, 9-10 and 11-12. Girls teams and boys teams will be entered into competition if enough response from the students is indicated.

The Lions Club is asking the parents to pre-register their child into this program now so that we can estimate the cost and set up a league that will consist of several

family. It is estimated that the basic cost per child is around \$30. The Lions Club and the AYSO will pay the rest of the cost.

Sports And Recreation

teams from Burlingame, Millbrae, San Bruno, South San Francisco, Pacifica and Daly City.

The cost to the parent will be \$15 for one child entered; \$25 for two; and \$33 for three or more children in the same

Uniforms, soccer balls, referees, field equipment and insurance will be provided.

The Lions Club hopes to meet all of the parents and children interested come September 1975.

SHOOTING CONTEST

Free throw shooting was one of the many activities at a playground olympics held recently at Vista Mar School playground in Daly City. Recreation leader Laura File organized the afternoon's events.

Service News

Assigned

Army Private First Class David R. Albright Jr., 21, whose parents live at 2501 Albright Way, South San Francisco, is assigned as a medical aidman in the 101st Airborne Division, Ft. Campbell, Ky.

Returned

Navy Disbursing Clerk Second Class Adolfo C. Ajero, Jr. of 782 Gellert Blvd., Daly City, has returned to San Francisco aboard the store ship USS Vega after a seven-month deployment to the Western Pacific.

He helped provide logistic and service support to U.S. Seventh Fleet operating units in the South China Sea during the Vietnam evacuations and fleet training exercises.

A former student of Philippine Maritime Institute, he joined the Navy in March 1966.

Ends Training

Midshipman Thomas H. Henkle III, of 222 S. Airport Blvd., South San Francisco, recently completed a summer phase of instruction under the Naval Reserve Officers Training Corps Program.

He attended a two-week indoctrination course at the Naval Air Station, Corpus Christi, Tex.

Henkle was introduced to the equipment and techniques used to train student naval aviators.

He is a student at Miami University, Oxford, Ohio.

Serving

Army Private Henry Diaz, 18, son of Mrs. Emma Diaz, 61 Bismark St., Daly City, is serving as a cannoner with the 3rd Infantry Division in Germany.

Graduated

A Pacifica man has graduated at Chantute AFB, Ill., from the technical training course for U.S. Air Force jet engine mechanics.

Airman Frank Mendibles Jr., son of Mr. and Mrs. Frank Mendibles of 1451 Flores Drive, Pacifica, was trained to inspect and repair turbojet and gas turbine engines. Completion of the course enables him to receive academic credits through the Community College of the Air Force.

Ryan Aide Resigns

Mrs. Florence Stevens, executive assistant to Congressman Leo J. Ryan, D-San Mateo, since his election in 1972, has resigned that post.

She had been on terminal leave since July 15 and her duties, including those of office manager and scheduling, have been parceled out among Administrative Assistant Joe Holsinger, Field Representative Charles J. Cagney and the newest full-time staff member, Miss Joyce Petty.

Holsinger said Mrs. Stevens had resigned and returned to her Sacramento home because she had said she felt some adverse publicity last spring had made it impossible for her to be effective.

Some local Democratic party members at the time complained that Ryan was playing favorites by giving Mrs. Stevens the \$25,000 a year job.

Mrs. Stevens had gone to work for Ryan while he was a state Assemblyman in Sacramento representing north San Mateo County.

SSF Tax Rate at \$1

The South San Francisco City Council Wednesday night set the city tax rate at \$1 per \$100 of assessed value of property, the same rate as last year.

Only Councilman Leo Padreddi voted against the resolution setting the rate, complaining, "The tax rate should be reduced; the people deserve a break."

Padreddi said he believed that the additional \$244,000 the city will receive from the current reassessment, could have been used to cut the tax rate. He said the city should follow the lead of Millbrae and Half Moon Bay in reducing the tax rate.

Councilman Frank Mammini strongly objected to Padreddi's comments.

"If you look at the cities just mentioned you will find that their tax rates are a lot higher than South San Francisco. We still have a \$1 tax rate here, one that is lower than most of the cities in this county," Mammini said.

"If you feel so strongly that the tax rate should have been reduced, you could have requested that this resolution be taken off the agenda and further discussed with this council, instead of making a showmanship stand at a City Council meeting," Mammini declared.

Mammini told Padreddi that if the tax rate were cut

by 10 cents, double the amount Padreddi had suggested, it would almost delete the city's reserve fund. "A city that goes along without a cash reserve is in trouble," Mammini warned.

City Manager Ed Alario, said a 10-cent reduction in the rate would reduce the budget by \$274,000.

Mayor Richard Battaglia suggested that the council retain the \$1 tax rate and "take a close look at our budget over the year."

This council has the

responsibility to keep South San Francisco on a firm financial foundation," the mayor said.

In other action, the council:

- Approved a resolution calling for bids for the Grand Avenue Library building re-roofing project. Frank Addiego, director of public services, told the council the roof of the library is sagging. He said cost to repair the roof has been estimated at \$12,000.

• Reaffirmed its policy that all revenue sharing funds would be allocated to the capital improvements budget. But the council also stipulated that if some social service projects could not be paid for out of the general fund, then revenue sharing money would be used.

• Accepted the resignation of Planning Commissioner Nello Lazzari. The council will continue to interview persons interested in serving on the commission.

Jefferson High Sets Registration Schedule

Jefferson High School will open for school year 1975-76 on Sept. 4.

All students will receive registration materials through the mail giving more specific information.

Students who are new to the Jefferson area and were not in attendance last year should report to Jefferson Sept. 2 at 8:30 a.m. for a conference with John Conroy, assistant principal-administration.

All transfer students should have their transfers with them for this appointment.

Any returning student to Jefferson who wishes to make a program change must see their counselor at Jefferson Sept. 2 at 8:30 a.m.

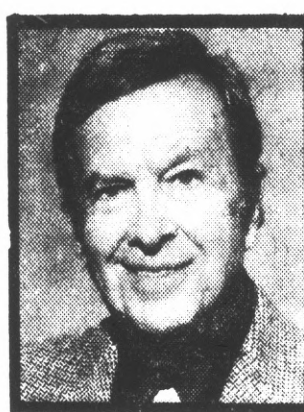

Buses this year will leave the Brisbane Post Office, Klamath and Visitation Avenue, and San Bruno and Alvarado at 8:05 a.m.

A single bus will leave South Hill and Alta Vista in

Daly City at 8:10 a.m. and stop at 8:15 a.m. at South Hill and Bellevue.

All buses arrive at Jefferson at 8:25 a.m. and return to their starting locations at 2:40 p.m. Bus service will begin Sept. 4.

Any questions regarding attendance, registration or questions in general can be answered by contacting Dion Dubois, assistant principal-guidance, Jefferson High School, 992-4050.

Enjoy Day's Vacation And Dining at Nick's

A seaside vacation with all the dine out features is available at Nick's, Captain Charles and The Moonraker restaurants, located a stone's throw from the shores of the Pacific Ocean at Rockaway Beach, Pacifica. Besides pampering your appetite with delectable dishes — from seafood specialties to Continental favorites, you can enjoy the rest of your life by spending a night, week or month in Nick Gust's Seaside Motel, which is also located on the shoreline of Pacifica. There are many escapes to the Lake Tahoe area, but a "best bet" is through the Nevada Tours. Here, you'll find refunds and goodies galore. A phone call to Kay (345-0488) will provide all the information you need. Since opening a few months ago, the Bayhill Lounge in San Bruno has developed a reputation for being an action spot. The word has spread that this club is where the music is wild and the dance action wilder. Currently featured is a group called Apocalypse. With the purchase of a "Big Burger" at either of the two Fling's Drive In locations (San Mateo and Burlingame), patrons are treated to free French fries and a small beverage. This is another super promotion of Owner Dave Jazinsky.

Visit Nippersink Manor for Vacation

Theresa and Bud Urban will soon be heading back to Redwood City to join Mary Lou Fox in the operation of Scotty Campbell's restaurant. During the summer months the Urbans operate the Nippersink Manor Resort in Genoa City, Wis., which they own as well as being co-owners with Mary Lou of Scotty Campbell's. If you're vacationing in the Genoa area, say hello to this genial couple. A best bet for special occasion dinners is the Beef Wellington at Phil Lehr's Steakery in downtown San Francisco. It's a tender broiled filet mignon steak that's topped with chicken liver pate and a peach half and baked to flavorful perfection in a flaky pastry shell. Robert Halberg has been appointed to the position of Executive Chef at the Gold Platter in San Carlos. One of his first moves was to introduce a variety of new luncheon items, including a salad bar and several new health salads. Expansion of the dinner menu is to follow, reports Owner George Green. No parking problems at the South Tahoe Nugget — in or out. One of the big attractions here is the dining area, where breakfast is served from midnight till 11 a.m. for just \$1.25. Lunch and dinner comes under the "All you can eat for \$1.95" banner. What a feast it is! The South Tahoe Nugget is currently enjoying one of its best years, with the parking area filled with autos from the country over.

Romano's Menu Charm of Italy

The North Beach restaurant charm has been transplanted to Rockaway Beach — and you'll find it at Romano's, where the a la carte and full course dinner suggestions include Italy's favorite delicacies. The restaurant is just a few strides from the Pacific Ocean and offers ample parking. Many reservations for year-end private banquets and holiday parties are already being received at the Villa Hotel, reports Joseph Greenbach. If you're planning a festive party during the upcoming months, best to get your name in the black book right now. Roast Leg of Lamb and Crepes a la Mere (thin, tender crepes filled with a combination of seafoods) are among the \$3.95 entrees featured this week on the "Early Evening" dinner special (4 p.m. to 7 p.m.) at the Shirt Tail in Palo Alto. The regular menu is also available. For a small casino that is big league in action, "Bright Lights" will have to string along with Barney's in South Lake Tahoe. This mighty place is wall-to-wall with smiling customers who are obviously excited over ringing slots. Barney's, which was recently remodeled from stem to stern, now offers an upstairs coffee shop. Along with the regular menu, breakfast is served 24 hours a day. You can even enjoy a game of Keno while dining.

Private Banquet Room Available at Vince's

Besides luncheon and dinner service in the main dining area (sit at the counter and watch the chefs go through their culinary paces, or relax in one of the comfortable booths), Vince's Italian and Seafood restaurant also offers a spacious dining room and an intimate banquet room for private parties. This San Mateo restaurant has been a dining tradition on the Peninsula since 1945. Skipper Vince Licata runs a "tight ship" here, and members of his family are at the executive helm. Murray Lehr, owner of the famed Lehr's Greenhouse garden restaurant in San Francisco, has a rare bargain for home gardeners. He has a huge supply of nine-foot tall Bird of Paradise plants on display in front of his restaurant that he's selling at the bargain price of \$90. Regular price of these beauties is \$300. Only one more week to drop off your entry blank at Tanforan Park's Garden Restaurant for the big drawing, which is scheduled for next Wednesday. The lucky winner walks away with \$300 worth of school clothes. A great band, Third Chapter, made a local debut Tuesday night in the Golden Rooster Lounge at Rodeway Inn, South San Francisco. General Manager Erik Pedersen says this Vegas-type show will be featured here for an indefinite stint.
